Journal - Office of Legislative Counsel  Tuesday - 9 May 1978  10.  Secretary, Senate Select Committee on Intelligence, called referring to a query he received from a Reuters correspondent (DeSilva) about an iceberg floating in the South Atlantic off Georgia Island and that in reality it is a joint U.S. /British intelligence operation to monitor Soviet submarines in the South Atlantic. I told Davis that I did not feel we had any obligation to respond to press inquiries in general or those that come directly to the Select Committee and he agreed. However, he did not withdraw his request.  OPA, was alerted.  11.  ILIAISON Advised Bob Beckel, White House Enternational Relations Committee on Thursday concerning the Middle East arms balance.  12.  LIAISON Received a call from George Murphy, Senate Unice of Classified National Security Information, requesting the names and organizational structure of the top officials of the Soviet Defense Department. I said I would check on this and be back in touch.  NFAC/CSS, has been alerted and will get back to me.  14.  LIAISON Howard Jacobs, in the office of Senator Adlai Stevenson (D., Ill.), called and asked for a copy of "The National Basic Intelligence Factbook." I said I would send one to him.  15.  Attended the House Permanent Select Committee on Intelligence hearing on Intelligence Community automatic data processing. Witnesses were from DIA. (See Memorandum for the Record.)
